Best Doctors in America, 2009-10

In August 2007, Dr. Sumra Rathore joined Bernhardt Laboratories as its medical director and head pathologist. Her welcome addition was preceded by six years of distinguished service as a cytologist and surgical pathologist at the prestigious Jacksonville Baptist Medical Center, Jacksonville, FL – designated as one of American's Best Hospitals by the *U.S. News & World Report*.

Dr. Rathore is board-certified in anatomic and clinical pathology by and a diplomate of the American Board of Pathology. Her knowledge, expertise, and record of achievement as a pathologist have earned her widespread trust, respect, and acclaim on the part of colleagues and patients alike.

As medical director and head pathologist, Dr. Rathore is fully committed to maintaining Bernhardt Laboratories' 30-year reputation as the provider of unsurpassed histology and cytology services. Bernhardt Laboratories features board-certified pathologists specializing in dermatopathology, gastroenterology, plastic surgery, podiatry, urology, and women's health. Bernhardt Laboratories has serviced the Jacksonville and northern Florida medical communities since 1986 and, in 2005, entered both the Tampa and Orlando markets.
