

Aurora Diagnostics Bernhardt Laboratories, is privileged to include Ann Church as a member of its medical staff. Dr. Church is nationally board certified as a Diplomate in dermatology and dermatopathology by the American Board of Dermatology. Dr. Church earned a medical degree from Indiana University School of Medicine, Indianapolis, IN.

Dr. Church then completed a four-year dermatology residency and a one-year dermatopathology fellowship at the University of Florida College of Medicine, Gainesville, FL. It should be noted that prior to attending medical school, Ann Church earned a Bachelor of Science degree in Biology after four years of intensive study at the University of Southern Indiana, Evansville, IN.

Dr. Church has coauthored numerous pathology related articles that were subsequently published in some of our more prestigious scientific journals. (See the reverse side of this CV for a sampling of her published works.)
